Subject: Re: State sued for records

Hello Mayor: Thank you for writing back. The assertions that the administrator was paid time-and-half for meetings. etc., come from Ms. Bruno, who has reviewed time cards from 2022 and provided a compilation of the instances I mentioned in the prior email sent to you, the solicitor and the administrator. As I said, we are still reviewing this information to determine if, and how, to report it. Any assistance you can provide would be appreciated.

I have copied Ms. Bruno here; she should be able to provide you the dates, etc., for when this occurred.

You might also want to ask the administrator about this, as well. We're hoping he's able to respond and clear up any confusion about whether what she contends occurred did in fact happen.

Thanks again for writing back. Please let me know if you have any questions/concerns.

Mr. Westerhold,

Per your allegations below, can you please provide the dates the alleged incident(s) happened?

Pam Crosby
Village of Milan
Mayor

[State sued for records](#)

Hi Mr. Rospert , solicitor Barney and Mayor Crosby: The link above is to the latest news update at sanduskyregister.com. As always, if there is anything in it that you believe is inaccurate or misleading let us know and we can review that with you and correct the information, if necessary. As you know, the information is well vetted.

I know that reporter Angela LaRosa is developing a followup story from time cards under review for the current audit period that purportedly show the administrator charged time-and-a-half for attending council meetings, and also charged time to the village for fire calls and to attend a funeral?

- Is all that correct, to your knowledge? Please explain.
- Will the council be considering legislation to authorize the administrator to charge time-and-a-half for meetings and funerals?
- Has council considered extending a resolution to thank Mary Bruno for finding these areas in which village money is being misspent? Why or why not? Please explain.

Our daily deadlines are ongoing. If you could please address each question fully and respond as soon as possible it would be appreciated. If you have any questions, please feel free to call my cell phone at 419-357-5051. **Thanks.**
